

Student Finance

Understanding Your Options and How to Apply

Types of Student Loans

Two main loan types:

- **Tuition Fee Loan**: Covers your course tuition fees.
- **Maintenance Loan**: Supports everyday living costs

Available for full-time or part-time first-degree students.
Not for further education level courses.

What else should you know about Student Finance?

It is a loan from the government (Student Finance England)

The loan needs to be repaid after completion of your course if you earn more than £27,295 per year

Repayments are 9% of earnings above the threshold.

For example, if annual salary is £30,000: ¦ Salary above threshold: £30,000 - £27,295 = £2,705

Yearly repayment: 9% × £2,705 = £243.45 (£20.29 per month)

Repayments are usually deducted automatically via PAYE for UK employees.

What else should you know about Student Finance / Loans?

Your attendance and progress is shared with Student Finance England on the basis of which they release the funds on regular basis.

Each year when you progress, you need to reapply.

Support is available for students with their SFE applications

Please provide us with a proof of your student loan application within a week from Induction date. E.g. screenshot of confirmation of submission of the student loan application.

Provide us with the Student Support Number (SSN) is generated once your loans are approved. It is mentioned on the Entitlement letter /Entitlement summary page of the online application portal.

When and How to Apply for Student Finance

Key points to ensure timely funding:

- Apply as early as possible before term starts.
- Use only the official portal: gov.uk/apply-online-for-student-finance.
- Early application helps secure your finance in time.

If You Are Not Eligible for a Loan

- Alternatives and payment options:

- You must fund your course yourself if ineligible.
- Option to pay course fees upfront.
- You can discuss this with a member of the staff.
